THE DUNES

Winter 2024 *Weddings*

CONGRATULATIONS!

ABOUT

Thank you for considering THE DUNES for your special day.

We pride ourselves on our polished, professional service and quality food and beverage. Our experienced team go above and beyond to create and execute your special day.

Our difference - we care. We love weddings; the happiness of the couple, the joy of the guests, the celebration, we love it all!

From the initial interaction with our Event Team, through to when you collect your belongings the following day, you will feel supported. We absorb your fears and take control so that you don't have to stress.

We have an experienced and passionate culinary team who have developed a menu that showcases fresh, local and sustainable produce.

One promise we can't make, is that we won't shed a tear at your ceremony!

VENUE

Nestled in the seaside town of Ocean Grove on the beautiful Bellarine Peninsula, we are a truly spectacular venue overlooking the Surf Beach.

The building itself has a contemporary feel with lots of natural materials and floor to ceiling windows that allow an abundance of light. The beautiful façade creates a cinematic experience that is ideal for watching the waves crash in or the silhouettes of the surfers as the sun goes down.

Our focus is on local, seasonal produce, with an absolute emphasis on quality. Whether you are looking for a laid-back beachy event, or classic romance, the team at THE DUNES will work with you to create your perfect day.

INSIDE CEREMONY

If you're seeking an indoor wedding option, imagine exchanging vows while taking in the breathtaking surf beach views within the intimate confines of our venue.

Important information

For our winter weddings, there will be no additional charges required for an indoor ceremony. Opting for an inside ceremony offers couples the opportunity to enjoy the same breathtaking views they would have during an outdoor ceremony, but in a cozy and protected environment.

CEREMONY

A beautiful grassy space atop the sand dunes, only 100m from THE DUNES. Surrounded by native flora and fauna; this large area offers panoramic views of Ocean Groves main beach, The Bluff, and beyond!

If there's something special you want served on your day; reach out to organise a quote.

Wines offered as a part of our beverage package are all supplied by OAKDENE.

'Located on the stunning Bellarine Peninsula, the region's cool maritime climate offers excellent conditions for producing low yields of high-quality fruit. The Oakdene cellar door is driven by a small team of locals with an intimate understanding of the region and deep knowledge of the award-winning wines.'
